28 April 2022

This Monday, May 2nd will be the opening day of the online registration, via our website, for the Rallye du Maroc 2022 Edition.

The rally will take place from 7 to 12 October and will start and finish in the city of AGADIR:

We are proposing a different kind of rally with barely used routes as we will be exploring the south of Morocco along the Atlantic Ocean, during this edition.

A rally and a route composed of 3 different bivouacs and a single loop in the great nomadic tradition of rally-raids.

The route will be revealed in its entirety in mid-June.

You will be able to find all the useful information on our website. It will be updated regularly, as the reconnaissance sessions take place.

The great novelty for this Rally of Morocco is the arrival of the electronic tablet for the bikers. Indeed, after the cars in 2021, all the motorbike categories will be equipped with this new tablet which will replace the good old electronic road book. Paper is definitely out.

We remain at your disposal for any information.
